

EMPOWERING A GLOBAL COMMUNITY OF ENGLISH TEACHERS

TAKE YOUR TEACHING TO THE NEXT LEVEL

Perfect Purity signed a strategic partnership with Bridge to deliver specialized training courses to the teachers of the schools who adopt the Pearson books.

Diverse Portfolio of Programs

In our 35 years in the language-education field, Bridge Education Group has developed a diverse portfolio of teacher certification, professional development, and micro-credential courses for educators at all stages of their careers. Empower global teachers through accessible, affordable programs that support career advancement, encourage lifelong learning, and offer new skills for a competitive market.

Global Community

We provide opportunities for our community of over 100,000 graduates teaching English worldwide and online to connect and collaborate via our Job Board and employer network, Bridge Universe News Magazine, and active social media channels.

Accreditation & Affiliations

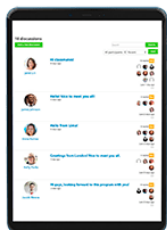

DYNAMIC COURSE PLATFORM

Bridge online TEFL/TESOL certification and professional development programs are delivered via an interactive and user-friendly course platform, making learning engaging and fun.

DISCUSSION BOARD/ COMMUNITY

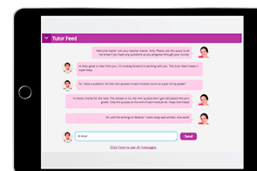

Trainees engage with what they're learning via the interactive platform, featuring practice exercises and quizzes.

DYNAMIC CONTENT

Trainees engage with what they're learning via the interactive platform, featuring practice exercises and quizzes.

PERSONAL TUTOR

All courses include guidance from an experienced personal tutor, who answers questions and provides feedback throughout the training.

TEACHING VIDEOS

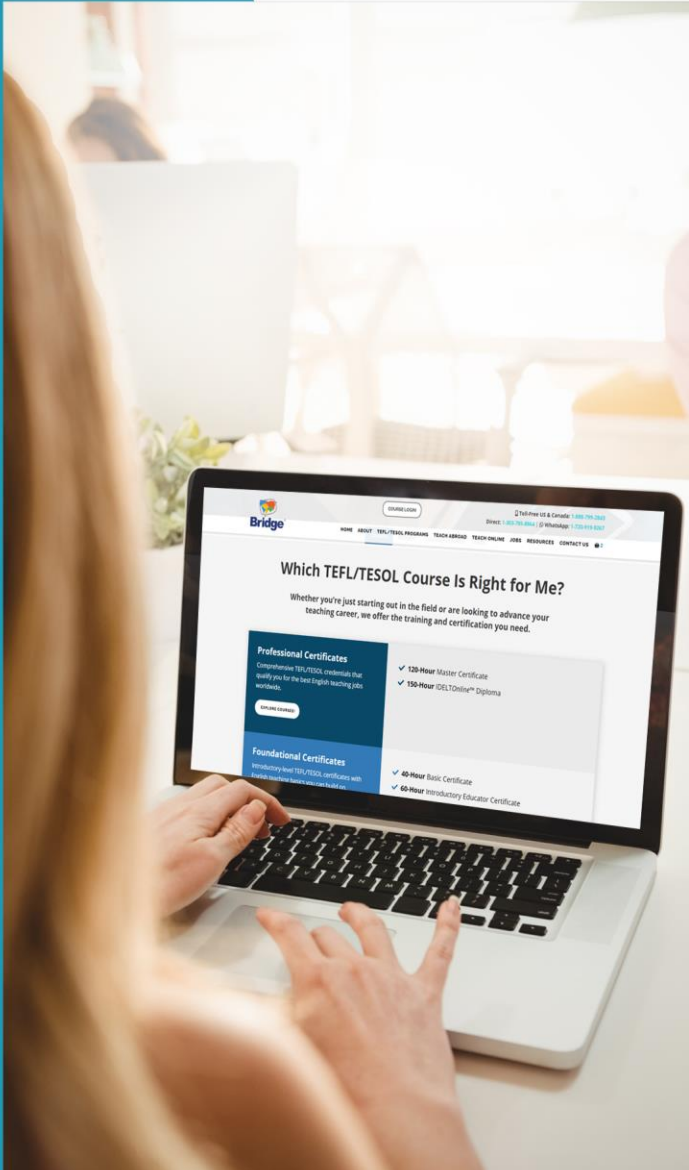

Video demos throughout the courses show English language teaching methods and strategies in action with real ESL teachers.

RESPONSIVE DESIGN

This online TEFL/TESOL course can be completed on any device. On the go? Work on your course from your tablet or phone!

Professional Certificates

- ✓ Meet or exceed requirements for most TEFL/TESOL jobs worldwide
- ✓ Have the opportunity to earn college credit
- ✓ Fully prepare for the classroom with a comprehensive course
- ✓ Start on the path toward a career in teaching English as a foreign language

Foundational Certificates

- ✓ Get your feet wet and learn the basic principles of TEFL/TESOL.
- ✓ Have the option to upgrade to more hours at any time.
- ✓ Pair with Specialized TEFL/TESOL certificates in high-demand areas.
- ✓ Ideal for new teachers looking to learn more about the field or current teachers without prior certification.

Specialized Certificates

- ✓ Professional development courses in high-demand TEFL/TESOL areas.
- ✓ Ideal for new or experienced teachers looking to qualify for specific types of jobs (teaching English online)
- ✓ Ideal for those seeking to advance their careers.

Micro-credentials Certificates

- ✓ Short, targeted trainings on trending teaching topics and instructional methods.
- ✓ Perfect for current teachers who want to learn new techniques they can immediately apply to the classroom.

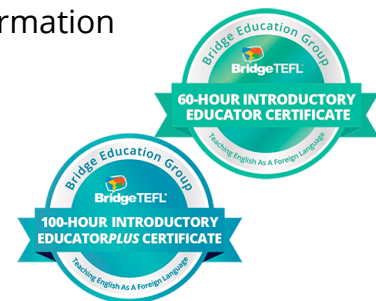

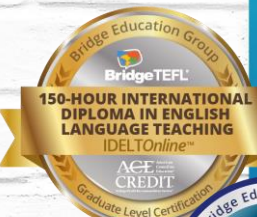

CREDENTIALS

Certificates and Digital Badges

Upon successful completion, all Bridge courses bestow a lifetime certificate and digital badge.

- ✓ Total certificate hours and details update with every Bridge course completed, including Specialized Certificates and Micro-credentials.
- ✓ Graduates demonstrate a commitment to lifelong learning, earning a stackable digital badge for every Bridge course taken.
- ✓ Digital badges can be shared on LinkedIn and other social channels, as well as graduates' resumes or email signatures.
- ✓ Employers simply click digital badges to see detailed, verifiable information about Bridge and the courses completed.
